MATTHEW 25

The **Alderson Hospitality House** supports the women of Federal Prison Camp Alderson and their friends and families. The hospitality house believes in the importance of visitors during incarceration. Alderson volunteers and staff, through donations, demonstrate this belief by providing temporary lodging, meals, transportation assistance, information and support. Since opening in 1977, there have been more than 50,000 overnight guests from all over the world. Alderson does not charge for its services, but relies only on the generosity of guests and partners for operating funds. Newman has a relationship with the Alderson Hospitality House dating back to the 1980's.

A Big Thank You to all those who came to help with the Database Entry and Mailing Parties!!
