PRISONS IN APPALACHIA PANEL

The Newman Community will be helping to host our friends from the Alderson Hospitality House for an interactive lecture on the prison industrial complex on November 11th. Along with the team from "Stories from South Central," they will be discussing the ongoing impacts of January's MCHM coal spill on incarcerated individuals at South Central Regional Jail, as well as the connections between criminal justice and coal. Refreshments to follow! Mark your calendars for November 11th at 7:00pm in the Fralin Auditorium. For more information, email Catherine Goggins at catgo9@vt.edu

BE THE MATCH ON CAMPUS - REGISTRATION TOMORROW

Every year more than 12,000 patients in the US are diagnosed with life threatening diseases (including leukemia and lymphoma) for which a marrow transport may be their best, or only, hope for a cure. About 70% of patients do NOT have a matching donor in their family and therefore depend on the registry and people like YOU. All it takes is a cheek swab to find out if you could be part of someone's cure. We hope to see you TOMORROW Monday, October 20th from 11am-4pm outside of Squires. Contact Justin Toelle if you have any questions - jtoelle@vt.edu

MATTHEW 25 PARTNER

The mission of Catholic Charities agencies is to provide service to people in need, to advocate for justice in social structures, and to call the entire church and other people of good will to do the same.

Catholic Charities serves as the voice of those living in poverty, calling for more effective and efficient poverty relief solutions and convening thought leaders from across the public, private and nonprofit sectors to identify pathways out of poverty.
