*BUT WAIT, THERE'S MORE!*

# Welcome Home!

We're excited to extend a warm welcome to so many new and returning Catholic Hokies this year! We hope to inspire you all to feel at home within our community during your time at Tech and moving forward, just as Newman has been a home away from home for so many others.

Please be sure to reach out to our staff members and student servant leaders (listed below) with any questions about our ministry and how to get more involved. And know that you're always welcome at the Newman House to visit the chapel and during open hours to hang out with friends, study, or just chill after a long day of classes. We can't wait to continue to grow together this year in our three pillars of faith, service, and community! We look forward to seeing you not just on Sundays, but at the Newman House for all of our fun events throughout the year.
